Preface

As the peak body for the sport of volleyball in SA, Volleyball South Australia's (*Volleyball SA's*) purpose is to provide for the development, conduct, promotion and administration of the sport for the mutual and collective benefit of the South Australian volleyball community.

We aim to provide opportunities for individuals of all ages and abilities to participate at their desired level as a player, referee or coach and deliver an events and competitions portfolio supporting these opportunities.

At the highest level, we work with *Volleyball Australia* to deliver success in international beach and indoor competitions through a sustainable and well-structured elite development pathway. We foster relationships with key stakeholders as well as build systems and programs to grow, enhance and better deliver the business of volleyball in South Australia. It is vital that individuals in any facet of the sport (players, coaches, officials, administrators and volunteers) are able to participate free of concerns about their sporting environment.

Volleyball SA is therefore committed to create a safe, fair and inclusive sporting landscape that is safe for children and adults, free from all forms of harassment, discrimination and abuse for everyone, and promotes positive behaviour and values. Inappropriate or unlawful behaviour will not be tolerated.

The following Member Protection Policy provides a code of behaviour which everyone associated with the organization is expected to abide, and disciplinary action will be taken against individuals if there is a breach of the Policy.

Volleyball SA is committed to ensuring that *everyone* associated with the organization complies with this Policy so that volleyball participants at all levels have a positive, respectful and fulfilling experience.

2. Purpose of this Policy

This *Volleyball SA Member Protection Policy* (“policy”) aims to assist *Volleyball SA* (“our”, “us” or “we”) to uphold its core values and create a safe, fair and inclusive environment for everyone associated with our sport. It sets out our commitment to ensure that every person bound by the Policy is treated with respect and dignity and protected from discrimination, harassment and abuse. It also seeks to ensure that everyone involved in our sport is aware of their key legal and ethical rights and responsibilities, as well as the standards of behaviour expected of them.

The attachments to this Policy describe the practical steps we will take to eliminate discrimination, harassment, child abuse and other forms of inappropriate behaviour from our sport. As part of this commitment, the Policy allows *Volleyball SA* to take disciplinary action against any person or organisation bound by this Policy if they breach the Policy.

This Policy has been endorsed by *Volleyball SA Board* and the Policy commences on 24 January 2016 and will operate as amended from time to time until replaced.

The current Policy and its attachments can be obtained from our website at:
www.volleyballsacom.au.

3. Who is bound by this Policy

It is also intended this Policy will apply to all affiliated clubs and associated organisations.

4. Organisational responsibilities

Volleyball SA and all affiliated associations and clubs must:

- 4.1 adopt, implement and comply with this Policy

- 5.5 be accountable for their behaviour: and,
- 5.6 comply with any decisions and/or disciplinary measures imposed under this Policy.

6. Position statements

6.1 Child protection

Volleyball SA has lodged a compliance statement with the Department for Education and Child Development to acknowledge that we are aware of our obligations to create and maintain a child safe environment according to the requirements under Section 8C of the *Children's Protection Act 1993*.

Volleyball SA has lodged this statement on behalf of all affiliated associations and clubs and therefore require that these organisations must also be aware of these obligations and adopt and implement this Policy.

Volleyball SA is committed to the safety and well-being of all children and young people who participate in our sport or access our services. We support the rights of the child and will act at all times to ensure that a child-safe environment is maintained.

We acknowledge the valuable contribution made by our Board, staff, members and volunteers and we encourage their active participation in providing a safe, fair and inclusive environment for all participants.

6.1.1 Identify and analyse risk of harm

We will continue to develop and implement a risk management strategy, including a review of our existing child protection practices, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the actions of an employee, volunteer or another person.

6.1.2 Develop codes of behaviour

We will continue to develop and promote a code of behaviour that sets out the conduct we expect of adults when they deal and interact with children involved in our sport, especially those in our care. We will also implement a code of behaviour to promote appropriate conduct between children.

These codes will clearly describe professional boundaries, ethical behaviour and unacceptable behavior. (Refer to the attachments in Part B of this Policy.)

6.1.3 Choose suitable employees and volunteers

We will take all reasonable steps to ensure that our organisation engages suitable and appropriate people to work with children, especially those in positions that involve regular unsupervised contact with children. This will include using a range of screening measures.

We will ensure that Working with Children Checks are conducted for all employees and volunteers who work with children, where an assessment is required by law. If a criminal history report is obtained as part of their screening process, we will handle this information confidentially and in accordance with the relevant legal requirements. (Refer to the attachments in Part C of this Policy.)

6.1.4 Support, train, supervise and enhance performance

We will ensure that all our employees and volunteers who work with children have ongoing supervision, support and training. Our goal is to develop their skills and capacity and to enhance their performance so we can maintain a child-safe environment in our sport. The child safe officer role will be established to support this statement and the appointment of the person to this role will be reviewed annually.

6.1.5: Empower and promote the participation of children

We will encourage children and young people to be involved in developing and maintaining a child-safe environment for our sport.

6.1.6: Report and respond appropriately to suspected abuse and neglect

We will ensure that all our employees and volunteers are able to identify and respond appropriately to children at risk of harm and that they are aware of their responsibilities under state laws to make a report if they suspect on reasonable grounds that a child has been, or is being, abused or neglected. (Refer to the attachment E3 in Part E of this Policy.)

Further, if any person believes that another person or organisation bound by this Policy is acting inappropriately towards a child, or is in breach of this Policy, he or she may make an internal complaint to us. (Refer to the attachments in Part D of this Policy.)

6.1.7: Manage appropriately any allegation of misconduct towards children

We will treat any allegations of child abuse or neglect towards children participating in activities associated with our organisation responsibly and sensitively. This will include providing support for the alleged victim and their family and ensuring natural justice is provided for the alleged offender.

(See Managing allegations of child abuse in recreation and sport www.ors.sa.gov.au/data/assets/pdf_file/0006/153564/child_abuse_allegations_guidelines_050115.pdf)

6.2 Taking images of children

There is a risk that images of children may be used inappropriately or illegally. *Volleyball SA* requires that individuals and associations, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own. They should also make sure the parent/guardian understands how the image will be used.

To respect people's privacy, we do not allow camera phones, videos and cameras to be used inside changing areas, showers and toilets which we control or are used in connection with our sport.

When using a photo of a child, we will not name or identify the child or publish personal information, such as residential address, email address or telephone number, without the consent of the child's parent/guardian. We will not provide information about a child's hobbies, interests, school or the like, as this can be used by paedophiles or other persons to "groom" a child.

We will only use images of children that are relevant to our sport and we will ensure that they are suitably clothed in a manner that promotes participation in the sport. We will seek permission from the parents/guardians of the children before using the images. We require our member associations and clubs to do likewise.

6.3 Anti-discrimination and harassment

Volleyball SA is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination and harassment.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against or harassed.

6.3.1 Discrimination

Unlawful discrimination involves the less favourable treatment of a person on the basis of one or more of the personal characteristics protected by state or federal anti-discrimination laws.

The personal characteristics protected by anti-discrimination laws include attributes such as race, age, disability, gender and race. The full list of protected personal characteristics is in the "Definitions" set out in the Dictionary of Terms.

Discrimination can be either direct or indirect.

- **Direct** discrimination occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic.

- **Indirect** discrimination occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practice is not reasonable.

For the purposes of determining discrimination, the offender's awareness and motive are irrelevant.

6.3.2 Harassment

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation.

The offensive behaviour does not have to take place a number of times, a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment is unwelcome conduct, remarks or innuendo of a sexual nature. It covers a wide range of behaviours and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

6.3.3 Prohibition against discrimination and harassment

We prohibit all forms of harassment and discrimination based on the personal characteristics listed in the "Definitions" set out in the Dictionary of Terms [see clause 10].

Any person who believes they are being, or have been, harassed or discriminated against by another person or organisation bound by this Policy is encouraged to raise their concerns with us. A person may make an internal complaint, and in some circumstances, they may also be able to make a complaint to an external organisation. (Refer to the attachments in Part D of this Policy)

6.4 Intimate relationships

Volleyball SA understands that consensual intimate relationships (including, but not limited to sexual relationships) between coaches or officials and adult athletes may take place legally. However, this Policy will help ensure that the expectations of coaches or officials are clear and, to ensure that if an intimate relationship does exist or develop between a coach or official and an adult athlete, that relationship will be managed in an appropriate manner.

Coaches and officials are required to conduct themselves in a professional and appropriate manner in all interactions with athletes. In particular, they must ensure that they treat athletes in a respectful and fair manner, and that they do not engage in sexual harassment, bullying, favoritism or exploitation.

We take the position that consensual intimate relationships between coaches or officials and the adult athletes they coach should be avoided as they can have harmful effects on the athlete involved, on other athletes and coaches and on the sport's public image. These relationships can also be perceived to be exploitative due to the differences in authority, power, maturity, status, influence and dependence between the coach or official and the athlete.

We recommend that if an athlete attempts to initiate an intimate relationship with a coach or official, the coach or official should discourage the athlete's approach and explain to the athlete why such a relationship is not appropriate.

If a consensual intimate relationship does exist or develop between an adult athlete and a coach or official, the coach or official is expected to ensure that the relationship is appropriate and that it does not compromise impartiality, professional standards or the relationship of trust the coach or official has with the athlete and/or other athletes.

In assessing the appropriateness of an intimate relationship between a coach or official and an adult athlete, relevant factors include, but are not limited to:

- the relative age and social maturity of the athlete;
- any potential vulnerability of the athlete;
- any financial and/or emotional dependence of the athlete on the coach or official;
- the ability of the coach or official to influence the progress, outcomes or progression of the athlete's performance and/or career;
- the extent of power imbalance between the athlete and coach or official; and the likelihood of the relationship having an adverse impact on the athlete and/or other athletes.

It will often be difficult for a coach or official involved in an intimate relationship with an adult athlete to make an objective assessment of its appropriateness and accordingly they are encouraged to seek advice from *the Member Protection Information Officer* to ensure that they have not involved themselves in inappropriate or unprofessional conduct.

If it is determined that an intimate relationship between a coach or official and an adult athlete is inappropriate or unprofessional we may take disciplinary action against the coach or official up to and including dismissal. Action may also be taken to stop the coaching relationship with the athlete. This could include a transfer, a request for resignation or dismissal from coaching duties.

If a coach, official or athlete believes they are being, or have been, harassed they are encouraged to seek information and support from *the Member Protection Information Officer*. Our complaints procedure is outlined in Part D of this Policy.

6.5 Pregnancy

Volleyball SA is committed to treating pregnant women fairly and to removing any unreasonable barriers to their full participation in our sport. We will not tolerate any discrimination or harassment against pregnant women.

Volleyball SA will take reasonable care to ensure the continuing safety, health and wellbeing of pregnant women. We will advise pregnant women that there may be risks involved with their continuing participation in sport, and we will encourage them to obtain medical advice about those risks. Pregnant women should be aware that their own health and wellbeing, and that of their unborn child, is of utmost importance in their decision-making about the extent they choose to participate in our sport.

We encourage all pregnant women to talk with their medical advisers, make themselves aware of the facts about pregnancy in sport and ensure that they make informed decisions about their participation in our sport. Pregnant women should make these decisions themselves, in consultation with their medical advisers and in discussion with *Volleyball SA*.

We will only require pregnant women to sign a disclaimer in relation to their participation in our sport whilst they are pregnant if all other participants are required to sign one in similar circumstances. We will not require women to undertake a pregnancy test.

If a pregnant woman believes she is being, or has been, harassed or discriminated against by another person or organisation bound by this Policy, she may make a complaint. (Refer to the attachments in Part D of this Policy.)

6.6 Gender identity

Gender identity means the gender-related identity, appearance or mannerisms or other gender-related characteristics of a person. This includes the way people express or present their gender and recognises that a person's gender identity may be an identity other than male or female. Some terms used to describe a person's gender identity include transgender and gender diverse.

6.6.1 Gender identity discrimination and harassment

Federal, state and territory anti-discrimination laws provide protection from discrimination against people on the basis of their gender identity. (See definition in Dictionary of Terms).

Volleyball SA is committed to providing a safe, fair and inclusive sporting environment where all people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity.

All persons, regardless of gender identity, are entitled to be treated fairly and with dignity and respect at all times. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity. This includes discrimination or harassment of a person who is transgender or transsexual, who is assumed to be transgender or transsexual or has an association with someone who has or is assumed to be transgender or transsexual.

We expect all people bound by this Policy to act with sensitivity when a person is undergoing gender transition/affirmation.

If any person believes that they are being, or have been, harassed or discriminated against by another person or organisation bound by this Policy because of their gender identity, they may make a complaint. (Refer to the attachments in Part D of this Policy).

6.6.2 Participation in sport

Volleyball SA recognizes that excluding people from participating in sporting events and activities because of their gender identity may have significant implications for their health, wellbeing and involvement in community life. We are committed to supporting participation in our sport on the basis of the gender with which a person identifies.

If issues of performance advantage arise, we will consider whether the established discrimination exceptions for participation in sport are relevant in the circumstances. Discrimination is unlawful unless an exception applies.

Volleyball SA is aware that the International Olympic Committee (IOC) has established criteria for selection and participation in the Olympic Games. Where a transgender person intends to compete at an elite level, we will encourage them to obtain advice about the IOC's criteria which may differ from the position we have taken.

Drug testing procedures and prohibitions also apply to people who identify as transgender. A person receiving treatment involving a Prohibited Substance or Method, as described on the World Anti-Doping Agency's Prohibited List, should apply for a standard Therapeutic Use Exemption.

6.6.3 Intersex status

Federal anti-discrimination law, and some state and territory anti-discrimination laws, provide protection from discrimination against a person on the basis of their intersex status. (See Dictionary of Terms).

Volleyball SA is committed to providing a safe, fair and inclusive sporting environment where all people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their intersex status.

6.7 Responsible service and consumption of alcohol

Volleyball SA is committed to conducting sporting and social events in a manner that promotes the responsible service and consumption of alcohol. We also recommend that affiliate clubs follow strict guidelines regarding the service and consumption of alcohol.

In general, our Policy is that:

- alcohol should not be available or consumed at sporting events involving children and young people under the age of 18;
- alcohol-free social events be provided for young people and families;
- food and low-alcohol and non-alcoholic drinks be available at events we hold or endorse where alcohol is served;
- a staff member is present at events we hold or endorse where alcohol is served to ensure appropriate practices in respect of the consumption of alcohol are followed;
- safe transport options be promoted as part of any event we hold or endorse where alcohol is served.

6.8 Smoke-free environment

Volleyball SA is committed to providing a safe and healthy environment at all sporting and social events that we hold or endorse.

In general, our Policy is that:

- no smoking shall occur at or near sporting events involving children and young people under the age of 18. This Policy shall apply to coaches, players, trainers, officials and volunteers;
- social events shall be smoke-free, with smoking permitted at designated outdoor smoking areas; and
- coaches, officials, trainers, volunteers and players will refrain from smoking while they are involved in an official capacity in our sport, both on and off the field.

6.9 Bullying

Volleyball SA is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable in our sport.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend or intimidate a person. Bullying behaviour can include actions of an individual or a group.

Whilst generally characterised by repeated behaviours, one-off instances can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

- verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
- excluding or isolating a group or person;
- spreading malicious rumours; or
- psychological harassment such as intimidation.

Bullying includes cyber-bullying which occurs through the use of technology. New technologies and communication tools, such as smart phones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments.

Volleyball SA will not tolerate abusive, discriminatory, intimidating or offensive statements being made online. Frustration at a referee, teammate, coach or sporting body should never be communicated on social networking websites. These issues should instead be addressed – in a written or verbal statement or a complaint – to the relevant controlling club, league or peak sporting body.

If any person believes they are being, or have been, bullied by another person or organisation bound by this Policy, he or she may make a complaint. (Refer to the attachments in Part D of this Policy.)

6.10 Social networking

Volleyball SA acknowledges the enormous value of social networking to promote our sport and celebrate the achievements and success of the people involved in our sport.

Social networking refers to any interactive website or technology that enables people to communicate and/or share content via the internet. This includes social networking websites such as Facebook and Twitter.

We expect all people bound by this Policy to conduct themselves appropriately when using social networking sites to share information related to our sport.

In particular, social media activity including, but not limited to, postings, blogs, status updates, and tweets:

- must not contain material which is, or has the potential to be, offensive, aggressive, defamatory, threatening, discriminatory, obscene, profane, harassing, embarrassing, intimidating, sexually explicit, bullying, hateful, racist, sexist or otherwise inappropriate;
- must not contain material which is inaccurate, misleading or fraudulent;
- must not contain material which is in breach of laws, court orders, undertakings or contracts;
- should respect and maintain the privacy of others; and
- should promote the sport in a positive way.

7. Complaints procedures

7.1 Handling complaints

Volleyball SA aims to provide a simple, confidential and trustworthy procedure for resolving complaints based on the principles of procedural fairness.

Any person (a complainant) may report a complaint about a person, people or organisation bound by this Policy (respondent) if they feel they have been discriminated against, harassed, bullied or there has been any other breach of this Policy.

In the first instance, complaints should be reported to the CEO or Member Protection Information Officer.

If a complaint relates to behaviour or an incident that occurred at the:

- state level, or involves people operating at the state level, then the complaint should be reported to and handled by the relevant state association in the first instance
- club level, or involves people operating at the club level, then the complaint should be reported to and handled by the relevant club in the first instance.

Only matters that relate to, or which occurred at, the national level, as well as serious cases referred from the state and club level, should be dealt with by the national body (*Volleyball Australia*).

A complaint may be handled informally or formally. The complainant may indicate his or her preferred option and the CEO or *Member Protection Information Officer* should consider whether that is an appropriate way to handle the particular complaint. For example, the law may require that the complaint/allegation be reported to an appropriate authority.

All complaints will be dealt with promptly, seriously, sensitively and confidentially. Our procedures for handling and resolving complaints are outlined in Attachment *D1*.

Individuals and organisations may also seek to have their complaint handled by an external agency under anti-discrimination, child protection, criminal or other relevant legislation.

7.2 Improper complaints and victimisation

Volleyball SA aims to ensure that our complaints procedure has integrity and is free of unfair repercussions or victimisation against any person making a complaint.

We will take all necessary steps to make sure that people involved in a complaint are not victimised. Disciplinary measures may be undertaken in respect of a person who harasses or victimises another person for making a complaint or supporting another person's complaint.

If at any point in the complaint handling process the CEO or *Member Protection Information Officer* considers that a complainant has knowingly made an untrue complaint, or the complaint is malicious or inappropriately intended to cause distress to the respondent, the matter may be referred in writing to the Tribunal for review and appropriate action, including possible disciplinary action against the complainant.

7.3 Mediation

Volleyball SA aims to resolve complaints quickly and fairly. Complaints may be resolved by agreement between the people involved with no need for disciplinary action.

Mediation is a confidential process that allows those involved in a complaint to discuss the issues or incident in question and come up with mutually agreed solutions. It may occur before or after the investigation of a complaint.

If a complainant wishes to resolve the complaint with the help of a mediator, the CEO will, in consultation with the complainant, arrange for an independent mediator where possible. We may allow lawyers to participate in the mediation process.

More information on the mediation process is outlined in Attachment *D2*.

7.4 Tribunals

In accordance with the *Volleyball SA Constitution*, a Tribunal may be convened to hear a proceeding:

- referred to it by the CEO;
- referred to it or escalated by an affiliate, because of the serious nature of the complaint, because it was unable to be resolved at the affiliate level or because the Policy of the affiliate directs it to be; or
- for an alleged breach of this Policy

Our Tribunal procedure is outlined in Attachment *D4*.

A respondent may lodge an appeal to the Appeal Tribunal in respect of a Tribunal decision. The decision of the Appeal Tribunal is final and binding on the people involved. Our appeals process is outlined in Attachment *D4*.

Every organisation bound by this Policy will recognize and enforce any decision of a Tribunal or Appeal Tribunal under this Policy.

8. What is a breach of this Policy?

It is a breach of this Policy for any person or organisation bound by this Policy to do anything contrary to this Policy, including but not limited to:

- 8.1 breaching the codes of behaviour (see Part B of this Policy);

- 8.3 failing to follow *Volleyball SA's* (including this Policy) *and/or Volleyball Australia's* policies and the procedures for the protection, safety and well-being of children;
- 8.4 discriminating against, harassing or bullying (including cyber-bullying) any person;
- 8.5 victimising another person for making or supporting a complaint;
- 8.6 engaging in an inappropriate intimate relationship with a person that he or she supervises, or has influence, authority or power over;

- 8.11 failing to comply with a direction given to the individual or organisation as part of a disciplinary process.

9. Disciplinary measures

Volleyball SA may impose disciplinary measures on an individual or organisation for a breach of this Policy.

Any disciplinary measure imposed will be:

- fair and reasonable;

- applied consistently with any contractual and employment rules and requirements;
- be based on the evidence and information presented and the seriousness of the breach; and
- be determined in accordance with our constituent documents, Regulations, this Policy and/or the rules of the sport.

- 9.1.10 a fine;
- 9.1.11 any other form of discipline that *the VSA Board* considers appropriate.

- 9.2.1 a written warning;
- 9.2.2 a fine;
- 9.2.3 a direction that any rights, privileges and benefits provided to that organisation by the national body or other peak association be suspended for a specified period;

This is known as direct discrimination. Indirect discrimination occurs when there is (or is proposed) an unreasonable requirement, condition or practice that seems to treat everyone equally, but which has or is likely to have the effect of disadvantaging persons with a personal characteristic covered by anti-discrimination laws.

- holding a competitive sporting activity for a specific age or age group (e.g. only those who are under the age of 15 years);
- excluding people on the basis of their sex and/or gender identity status from participation in a competitive sporting activity where the strength, stamina or physique of competitors is relevant to the specific activity (note that this does not apply to activity by children who are under the age of 12 years); and
- not selecting a participant if the person's disability means he or she is not reasonably capable of performing the actions reasonably required for that particular sporting activity.

Gender identity: The term 'gender identity' refers to a person's deeply held internal and individual sense of gender.

Gender expression: The term ‘gender expression’ refers to the way in which a person externally expresses their gender or how they are perceived by others.

Harassment is any type of unwelcome behaviour which has the effect of offending, humiliating or intimidating the person harassed. Unlawful harassment can be based on any of the personal characteristics covered by anti-discrimination law, such as a person’s race, sex, pregnancy, marital status or sexual orientation (see the list under “Discrimination”).

Public acts of racial hatred which are reasonably likely to offend, insult, humiliate or intimidate are also prohibited. This applies to spectators, participants or any other person who engages in such an act in public. Some states and territories also prohibit public acts that vilify people on other grounds such as homosexuality, gender identity, HIV/AIDS, religion and disability (see also “Vilification”).

Intersex: The term ‘intersex’ refers to people who have genetic, hormonal or physical characteristics that are not exclusively ‘male’ or ‘female’. A person who is intersex may identify as male, female, intersex or as being of indeterminate sex.

Transgender ‘Transgender’ is an umbrella term that refers to a person whose gender identity is different to their physical sex as recorded at birth. Transitioning refers to the process where a transgender person commences living as a member of another sex. This is sometimes referred to as the person ‘affirming’ their gender because transitioning means they start living in what they identify as their true gender. For people who are transitioning/affirming their gender, having their identity fully recognised in all areas of life is a crucial part of the experience of living as their affirmed gender.

Sexual orientation: The term ‘sexual orientation’ refers to a person’s emotional or sexual attraction to another person, including, amongst others, the following identities: heterosexual, gay, lesbian, bisexual, pansexual, asexual or same-sex attracted.

Victimisation means treating someone unfairly or unfavorably, or threatening to do so, because that person has, or intends to, pursue their right to make any complaint, including a complaint under government legislation (e.g. anti-discrimination legislation) or under this Policy, or for supporting another person to make complaint.

Vilification means behaviour that occurs in public which incites hatred towards, serious contempt for, or revulsion or severe ridicule of a person or group of people because that person or persons have a particular personal characteristic. Anti-discrimination laws in Australia make it unlawful to vilify a person or group of persons on the basis of race, religion, homosexuality, transgender status and HIV/AIDS status.

www.police.sa.gov.au/services-and-events/apply-for-a-police-record-check

The organisation may conduct its own assessment of a person’s relevant history on the basis of:

- the Child Safe Environments: Standards for dealing with information obtained about a person’s criminal history as part of a relevant history assessment.

In the majority of cases, a person will have no criminal history. In these cases, the assessment is successfully completed. This outcome should be documented and no further action in respect to an assessment is required.

2. Alternatively the organisation may request or can accept a current (less than 3 years) Child related employment screening conducted by the Department for Communities and Social Inclusion (DCSI) Screening Unit.

A relevant history assessment conducted by the DCSI Screening Unit incorporates a broader range of information than an assessment conducted by an organisation alone.

<http://www.dcsi.sa.gov.au/services/screening>

3. Organisations may accept the following forms of evidence to assess whether a person may pose a risk to the safety of children if appointed to or engaged to act in a child-related position, provided the information was obtained within the last three years:
 - A National Police Certificate that does not expressly state that it cannot be used as a clearance to work with children
 - A certificate of clearance from the DCSI Screening Unit or a valid registration document from the Teachers Registration Board
 - A current interstate working with children check.

Organisations will need to decide whether it will accept these types of evidence and communicate the decision to all members of the organisation.

All assessments must be conducted and managed according to the Standards published by the Department for Education and Child Development (DECD)

Attachment C3: NATIONAL WORKING WITH CHILDREN CHECK REQUIREMENTS

Working with Children Check requirements vary across Australia. [Fact Sheets](#) for each state and territory are available on the Play by the Rules website: www.playbytherules.net

It is important to remember that when travelling to other states or territories, representatives of sporting organisations must comply with the legislative requirements of that particular state or territory.

In certain jurisdictions, temporary, time limited exemptions from working with children checks may be available for interstate visitors with a Working with Children Check in their home state.

The laws providing interstate exemptions are not consistent across Australia.

If an employee or volunteer for your organisation is travelling interstate to do work that would normally require a working for children check, you will need to check the relevant requirements of that state or territory.

Detailed information, including the forms required to complete a Working with Children Check, are available from the relevant agencies in each state and territory.

Attachment D1: COMPLAINTS PROCEDURE

Volleyball SA is committed to supporting people associated with our sport to make and resolve any complaints they may have in a fair, timely and effective way.

We will endeavour to deal with complaints on a confidential basis. We will not provide information about the complaint to another person without the complainant's consent, except if the law requires us disclose this information or it is necessary to properly deal with the complaint. To ensure fairness for everyone involved, we will provide the full details of the complaint to the person or people against whom the complaint has been made and ask for their response. As a result, it may be difficult for us to resolve complaints made anonymously.

We will provide **informal and formal procedures** to deal with complaints. Individuals and organisations can also make **complaints to external organisations** under anti-discrimination, child protection and other relevant laws.

Informal approaches

Step 1: Talk with the other person (if safe, reasonable and appropriate)

If you feel confident and comfortable to do so, you can approach the other person to discuss the issues and try and resolve the problem directly.

Step 2: Contact a Member Protection Information Officer

We encourage you to talk with one of our Member Protection Information Officers (MPIOs) if:

- step 1 (above) is not appropriate;
- you are not sure how to handle the problem by yourself;
- you want to talk confidentially with someone and find out what options are available to address your concern; or
- the concern continues after you approached the other person.

The names and contact details for our MPIOs are available at www.volleyballs.com.au/about/contact/staff.

The MPIO will:

- ask how you would like your concern to be resolved and if you need support
- seek to provide different options for you to address your concern
- act as a support person, if you wish
- refer you to an appropriate person (e.g. a mediator) to help you address your concern, if appropriate
- inform the relevant government authorities and/or police, if required by law to do so
- where possible and appropriate, maintain confidentiality.

Step 3: Decide how to address your concern

After talking with the MPIO, you may decide:

- there is no problem;
- the problem is minor and you do not wish to take the matter forward;
- to try and resolve the problem yourself, with or without a support person;
- to resolve the problem with the help of someone impartial, such as a mediator; or
- to resolve the matter through a formal process.

Formal approaches

Step 4: Making a formal complaint

If it is not possible or appropriate to resolve your complaint through an informal process, you may:

- make a formal complaint in writing to the *CEO*, or
- approach a relevant external agency, such as an anti-discrimination or equal opportunity commission, for advice and assistance.

After receiving a formal complaint, and based on the material you provide, the *CEO* will decide whether:

- he or she is the most appropriate person to receive and handle the complaint;
- the nature and seriousness of the complaint requires a formal resolution procedure;
- to refer the complaint to **mediation**;
- to appoint a person to **investigate** the complaint;
- to refer the complaint to a **tribunal hearing**;
- to engage **The State Sport Dispute Centre** to provide an independent mediation or a tribunal hearing
- to refer the matter to the **police or other appropriate authority**; and/or
- to implement any interim arrangements that will apply until the complaint process is completed.

In dealing with your formal complaint, the *CEO* will take into account:

- whether he or she has had any personal involvement in the circumstances and if so, whether it is appropriate someone else (i.e. designated Complaints Manager) should handle the complaint;
- your wishes, and the wishes of the respondent, regarding how the complaint should be handled;
- the relationship between you and the respondent (e.g. an actual or perceived power imbalance between you and the respondent);
- whether the facts of the complaint are in dispute; and
- the urgency of the complaint, including the possibility that you might face further unacceptable behaviour while the complaint process is underway.

If the *CEO* is the appropriate person to handle the complaint, he or she will, where appropriate and/or necessary:

- provide the information received from you to the other person(s) involved and ask for a response;
- decide if there is enough information to determine whether the matter alleged in your complaint did or did not occur; and/or
- determine what, if any, further action to take, including referring the matter for investigation or disciplinary action in accordance with this Policy.

Step 5: Investigating the complaint

In some cases, an investigation may be required to determine the facts surrounding the complaint. Our investigations procedure is outlined in *Attachment D3*.

Following the investigation, a written report will be provided to the *CEO*.

- If the complaint is referred to **mediation**, we will follow the steps outlined in *Attachment D2* or as agreed by you, the respondent and the mediator.
- If the complaint is referred to a **tribunal hearing**, the hearing will be conducted according to the steps outlined in *Attachment D4*.
- If the complaint is referred to the **police or another external agency**, we will endeavour to provide all reasonable assistance required by the police or the agency.

Any costs incurred by us relating to the complaint process set out in this Policy (e.g. investigation, mediation and/or a tribunal hearing) are to be met by *Volleyball SA* unless otherwise stated.

Step 6: Reconsidering a complaint or appealing a decision

If the matter is referred to mediation and is not resolved at mediation, you may request that the *CEO* to reconsider the complaint in accordance with Step 3.

In accordance with *Volleyball SA Regulations*, you or the respondent(s) may also appeal a decision made at a tribunal hearing. The grounds and process for appeals are set out in *Attachment D4*.

Step 7: Documenting the resolution

The *CEO* will record the complaint, the steps taken to resolve it and the outcome. This information will be stored in a confidential and secure place. If the complaint was dealt with at the state/district level, the information will be stored by the state association. If the matter is of a serious nature, or if it was dealt with at the national level, the information will be stored by *Volleyball Australia* and a copy stored by the state association.

Approaching external organisations

If you feel that you have been harassed or discriminated against, you can seek advice from the equal opportunity commission. There is no obligation to make a formal complaint. However, if the commission advises you that the issues appear to be within its jurisdiction, you may choose to lodge a formal complaint with the commission.

The commission may investigate your complaint. The commission may also attempt to conciliate the complaint on a confidential basis. If this fails, or if it is not appropriate, the complaint may go to a formal hearing. The tribunal will make a finding and decide what action, if any, will be taken.

If you do lodge a complaint with the commission, an appropriate person from *Volleyball SA* (e.g. an MPIO) will be available to support you during the process. You may also wish to have a legal representation (at your own cost), particularly if the complaint goes to a formal hearing.

The Equal Opportunity Commission can be contacted online at www.eoc.sa.gov.au/ or phone 08 8207 1977

Serious incidents, such as assault or sexual assault, should be reported to the police.

Attachment D2: MEDIATION

Mediation is a process that seeks to resolve complaints with the assistance of an impartial person – the mediator.

The mediator does not decide who is right or wrong and does not tell either side what they must do. Instead, he or she helps those involved to discuss the issues and seeks to facilitate a mutually agreeable solution.

Our approach to mediation follows the steps set out below.

1. The *CEO* will appoint an appropriate mediator to help resolve the complaint. This will be done under the direction of *Volleyball SA* and in consultation with the complainant and the respondent(s). The mediator will be an independent person in the context of the complaint, however this does not preclude a person with an association with *Volleyball SA* acting as mediator.
2. The mediator will talk with the complainant and respondent(s) about how the mediation will take place and who will participate. At a minimum, the mediator will prepare an agenda of issues to be discussed.
3. All issues raised during mediation will be treated confidentially. We also respect the rights of the complainant and the respondent(s) to pursue an alternative process if the complaint is not resolved.
4. If the complaint is resolved by mediation, where appropriate the mediator may seek to ensure the parties execute a document that sets out the agreement that has been reached. This agreement will be signed by the complainant and the respondent(s). We expect the parties involved to respect and comply with the terms of the agreement.
5. If the complaint is not resolved by mediation, the complainant may:
 - write to the *CEO* to request that the *CEO* reconsider the complaint; and
 - approach any relevant external agency, such as an anti-discrimination or equal opportunity commission, to resolve the matter.

We recognise that there are some situations where mediation may not be appropriate, including:

- when the people involved have completely different versions of the incident;
- when one or both parties are unwilling to attempt mediation;
- when there is a real or perceived power imbalance between the people involved;
- matters that involve serious allegations.

Mediation Services

- Mediation SA provides a free independent mediation service for community organisations. Contact: 08 8350 0376.
- In some circumstances, *Volleyball SA* may choose to engage the **State Sport Dispute Centre**, based at Sport SA, to provide independent mediation

Attachment D3: INVESTIGATION PROCESS

There will be times when a complaint will need to be investigated and information gathered.

An investigation helps determine the facts relating to the incident, if requested, recommendations as to possible findings and next steps.

Any investigation we conduct will be fair to all people involved. The investigation process will be undertaken by an unbiased person.

If we decide that a complaint should be investigated, we will follow the steps outlined below.

1. We will provide a written brief to the investigator that sets out the terms of engagement and his or her roles and responsibilities.
2. The investigator may:
 - interview the complainant and record the interview in writing;
 - provide full details of the complaint to the respondent(s) so that they can respond
 - interview the respondent(s) to allow them to answer the complaint and record the interview in writing;
 - obtain statements from witnesses and collect other relevant evidence;
 - make a finding as to whether the complaint is:
 - A. **substantiated** (there is sufficient evidence to support the complaint)
 - B. **inconclusive** (there is insufficient evidence either way);
 - C. **unsubstantiated** (there is sufficient evidence to show that the complaint is unfounded);
 - D. **mischievous, vexatious or knowingly untrue**.
 - Provide a report to the *CEO where relevant*, documenting the complaint, the investigation process, the evidence,) and if requested, any findings and recommendations.
3. VSA will provide a report to the complainant and the respondent(s) documenting the complaint, the investigation process and summarising key points from the investigation.
4. The complainant and the respondent(s) will be entitled to support throughout this process from their chosen support person or adviser (e.g. *Member Protection Information Officer*).

Attachment D4: TRIBUNAL PROCEDURES

We will follow the steps set out below to hear formal complaints made under our Member Protection Policy.

Preparing for a Tribunal hearing

1. A Tribunal panel will be established, according to the rules set out in our constituent documents, rules and by-laws, to hear a complaint that has been referred to it by CEO.
2. The number of Tribunal panel members required to be present throughout the hearing will be three members.
3. The Tribunal panel members will be provided with a copy of all the relevant correspondence, reports or information received and sent by the CEO relating to the complaint/allegations.
4. The State Tribunal hearing will be held as soon as practicable. However, adequate time must be provided for the respondent(s) to prepare for the hearing.
5. The *CEO* will inform the respondent(s) in writing that a Tribunal hearing will take place. The notice will outline:
 - the members of the tribunal panel
 - that the person has a right to appear at the Tribunal hearing to defend the complaint/allegations;
 - the details of the complaint and of all allegations, as well as the provision or clause of any policy, rule or regulation that has allegedly been breached;
 - the date, time and venue of the Tribunal hearing;
 - that verbal and/or written submissions can be presented at the Tribunal hearing;
 - that witnesses may attend the Tribunal hearing to support the position of the respondent/s;
 - an outline of any possible sanctions that may be imposed if the complaint is found to be true;
 - That legal representation will not be allowed. The respondent may be assisted by a support person at a Tribunal hearing. For example, where the respondent is a minor, he or she should have a parent or guardian present. However a person cannot be a support person if he or she has been admitted to the practice as a lawyer or worked as a trainee lawyer.

A copy of any investigation report findings will be provided to the respondent(s).

6. The *CEO* will notify the complainant in writing that a State Tribunal hearing will take place. The notice will outline:
 - the members of the tribunal panel
 - that the person has a right to appear at the State Tribunal hearing to support their complaint;
 - the details of the complaint, including any relevant rules or regulations the respondent is accused of breaching;
 - the date, time and venue of the State Tribunal hearing;
 - that verbal and/or written submissions can be presented at the State Tribunal hearing;
 - that witnesses may attend the State Tribunal hearing to support the complainant's position;
 - that legal representation will not be allowed. The complainant may be assisted by a support person at a Tribunal hearing. For example, where the complainant is a minor, he or she should have a parent or guardian present. However, a person cannot be a

support person if he or she has been admitted to practice as a lawyer or worked as a trainee lawyer.

A copy of the investigation report findings will be provided to the complainant.

7. If the complainant believes the details of the complaint are incorrect or insufficient, he or she should inform the *CEO* as soon as possible so that the respondent(s) and members of the Tribunal panel can be properly informed of the complaint.
8. If possible, the Tribunal panel should include at least one person with knowledge or experience of the relevant laws/rules (e.g. anti-discrimination).

Tribunal hearing procedure

9. The following people will be allowed to attend the State Tribunal hearing:
 - State Tribunal panel members;
 - the respondent(s);
 - the complainant;
 - any witnesses called by the respondent(s);
 - any witnesses called by the complainant;
 - a parent/guardian or support person required to support the respondent or the complainant.
10. If the respondent(s) is not present at the set hearing time and the State Tribunal chairperson considers that no valid reason has been presented for this absence, the Tribunal hearing will continue subject to the chairperson being satisfied that all Tribunal notification requirements have been met. The complainant(s) may choose whether to attend in person or not.
11. If the State Tribunal chairperson considers that there is a valid reason for the non-attendance of the respondent(s), or the chairperson does not believe the Tribunal notification requirements have been met, then the Tribunal hearing will be rescheduled to a later date.
12. If the State Tribunal chairperson wishes to reschedule the Tribunal hearing date, the State Tribunal chairperson will inform the *CEO* of the need to reschedule the hearing and the *CEO* will arrange for the Tribunal to be reconvened.
13. The State Tribunal chairperson will read out the complaint, ask each respondent if he or she understands the complaint and if he or she agrees or disagrees with the complaint.
14. If the respondent agrees with the complaint, he or she will be asked to provide any evidence or witnesses that should be considered by the Tribunal when determining any sanctions.
15. If the respondent disagrees with the complaint, the complainant will be asked to describe the circumstances that lead to the complaint being made.
 - Reference may be made to brief notes.
 - The complainant may call witnesses.
 - The respondent may question the complainant and any witnesses.
16. The respondent will then be asked to respond to the complaint.
 - Reference may be made to brief notes.
 - The respondent may call witnesses.
 - The complainant may ask questions of the respondent and any witnesses.
17. The complainant and respondent(s) may be present when evidence is presented to the Tribunal hearing. Witnesses may be asked to wait outside the hearing until they are required.
18. The State Tribunal may:
 - consider any evidence, and in any form, that it deems relevant;
 - ask questions of any person giving evidence;
 - limit the number of witnesses (including limiting witnesses to those persons who only provide new evidence);

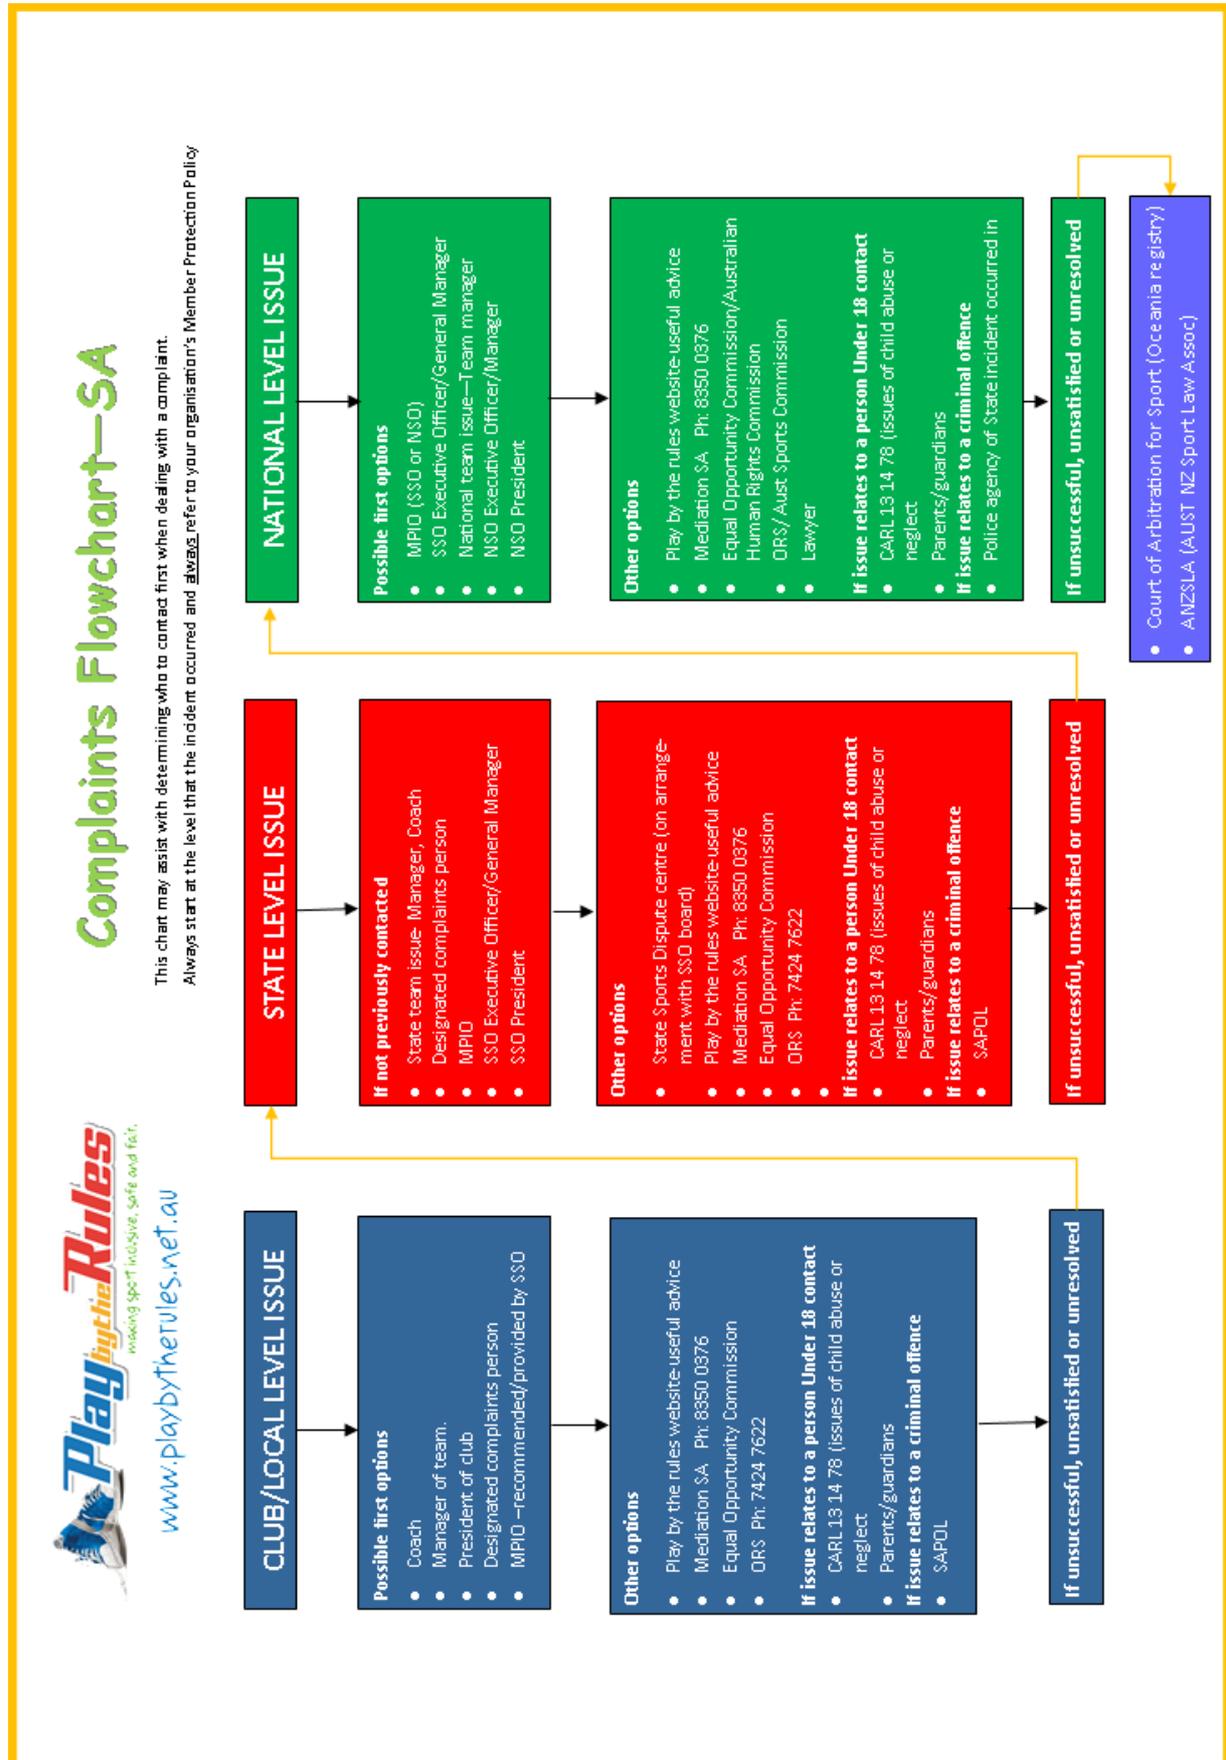

- require (to the extent it has power to do so) the attendance of any witness it deems relevant; and
 - act in an inquisitorial manner in order to establish the truth of the issue/complaint before it.
19. Video evidence, if available, may be presented. Arrangements for the viewing of this evidence must be made entirely by the person(s) wishing to offer this type of evidence.
 20. If the Tribunal panel considers that at any time during the hearing there is any unreasonable or intimidatory behaviour from anyone, the Tribunal chairperson may deny further involvement of that person in the hearing.
 21. After all the evidence has been presented, the State Tribunal will make its decision in private. The State Tribunal must decide whether the complaint has, on the balance of probabilities, been substantiated.
 22. All Tribunal decisions will be by majority vote.
 23. The State Tribunal chairperson may announce the decision of the Tribunal at the conclusion of the hearing. Alternatively, he or she may reserve the decision of the Tribunal at the conclusion of the hearing and deliver the decision at a later time.
 24. The respondent(s) will have the opportunity to make submissions to the Tribunal in relation to any sanctions that may be imposed.
 25. Within 48 hours of the Tribunal delivering its decision, the State Tribunal chairperson will:
 - forward a notice of the Tribunal's decision to the *CEO* including details of any sanction imposed.
 - forward a letter reconfirming the Tribunal's decision to the complainant(s) and respondent(s), including any sanction imposed. The letter should also outline the process and grounds for an appeal, if allowed.
 26. The Tribunal does not need to provide written reasons for its decision.

Appeals procedure

27. A complainant or a respondent(s) may lodge with *Volleyball SA* an appeal in relation to the decision of a State Tribunal on one or more of the following grounds:
 - 27.1 that a denial of procedural fairness has occurred;
 - 27.2 that the sanction imposed is unjust and/or unreasonable;
 - 27.3 that the decision was not supported by the information/evidence provided at the mediation or to the Tribunal Hearing;
28. A person wanting to appeal must lodge a letter setting out the basis for their appeal with the CEO within seven (7) days from the date of the notice to the respondent(s) in Paragraph 25 above. An appeal fee of \$100.00 shall be included with the letter of intention to appeal.
29. If the letter of appeal and appeal fee is not received by the CEO within this time, the right of appeal will lapse. If the letter of appeal is received but the appeal fee is not received within this time, the appeal will also lapse.
30. The letter of appeal and the notice of the Tribunal's decision (clause 25) will be forwarded to the Board of *Volleyball SA* to review and to decide whether there are sufficient grounds for the appeal to proceed. The Board of *Volleyball SA* may invite any witnesses to the meeting that he or she believes are required to make an informed decision.

31. If the Board of *Volleyball SA* determines that the appellant has not shown sufficient grounds for an appeal in accordance with clause 27, then the appeal will be rejected. The appellant will be notified in writing, including the reasons for the decision. The appeal fee will not be refunded.
32. If the appeal is accepted, an Appeal Tribunal with new panel members will be convened to rehear the complaint, and the appeal fee will be refunded.
33. The Tribunal hearing procedure shall be followed for the Appeal Tribunal.
34. The decision of the Appeal Tribunal will be final and binding.

Attachment E3: PROCEDURE FOR HANDLING ALLEGATIONS OF CHILD ABUSE

If you believe a child is in immediate danger or a life-threatening situation, contact the Police immediately on 000.

Detailed guidelines for SA organisations for managing an allegation of child abuse in recreation and sport can be found at:
[www.ors.sa.gov.au/ data/assets/pdf file/0006/153564/child abuse allegations guidelines_050115.pdf](http://www.ors.sa.gov.au/data/assets/pdf_file/0006/153564/child_abuse_allegations_guidelines_050115.pdf)

We will treat any allegation of child abuse or neglect promptly, seriously and with a high degree of sensitivity.

All people working with *Volleyball SA* in a paid or unpaid capacity have a duty to report any concerns to the appropriate authorities, following the steps outlined below.

Step 1: Receive the allegation

If a child or young person raises with you an allegation of child abuse or neglect that relates to them or to another child, it is important that you listen, stay calm and be supportive.

Do	Don't
Make sure you are clear about what the child has told you	Do not challenge or undermine the child
Reassure the child that what has occurred is not his or her fault	Do not seek detailed information, ask leading questions or offer an opinion.
Explain that other people may need to be told in order to stop what is happening.	Do not discuss the details with any person other than those detailed in these procedures.
Promptly and accurately record the discussion in writing.	Do not contact the alleged offender.

Step 2: Report the allegation

- Immediately report any allegation of child abuse or neglect, or any situation involving a child at risk of harm, to the police and/or the relevant child protection agency. You may need to make a report to both.
- Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the allegation should be reported.
- If the allegation involves a person to whom this Policy applies, then also report the allegation to the CEO or Child Safe Officer of *Volleyball SA* so that he or she can ensure the situation is managed appropriately.

Step 3: Protect the child and manage the situation

- The CEO will assess the immediate risks to the child and take interim steps to ensure the child's safety and the safety of any other children. This may include redeploying the alleged offender to a position where there is no unsupervised contact with children, supervising the alleged offender or removing/suspending him or her until any investigations have been concluded. Legal advice should be sought before any interim steps are made if the person is an employee of *Volleyball Australia*.
- The CEO will consider what services may be most appropriate to support the child and his or her parent/s.
- The CEO will consider what support services may be appropriate for the alleged offender.
- The CEO will seek to put in place measures to protect the child and the alleged offender from possible victimisation and gossip.

Step 4: Take internal action

- At least three different investigations could be undertaken to examine allegations that are made against a person to whom this Policy applies, including:
 - a criminal investigation (conducted by the police)
 - a child protection investigation (conducted by the relevant child protection agency)
 - a disciplinary or misconduct inquiry/investigation (conducted by *Volleyball SA*)
- *Volleyball SA* will assess the allegations and determine what action should be taken in the circumstances. Depending on the situation, action may include considering whether the alleged offender should return to his or her position, be dismissed, banned or suspended or face other disciplinary action.
- If disciplinary action is undertaken, we will follow the procedures set out in *Clause 9* of our Member Protection Policy.
- Where required we will provide the relevant government agency with a report of any disciplinary action we take.

Attachment E4:
REPORTING CHILD ABUSE AND NEGLECT

Under the *Children’s Protection Act 1993* mandated notifiers are required by law to notify the Families SA Child Abuse Report Line **13 1478**, if they suspect on reasonable grounds that a child/young person has been abused or neglected and the suspicion is formed in the course of the person’s work (whether paid or voluntary) or in carrying out official duties:

Mandated notifiers are any person who is an employee of, or volunteer in, a government or non-government organisation that provides health, welfare, education, sporting or recreational, child care or residential services wholly or partly for children.

These people:

- a) are engaged in the actual delivery of those services to children; or
- b) hold a management position in the relevant organisation the duties of which include direct responsibility for, or direct supervision of, the provision of those services to children.

It is also an offence to prevent a person from discharging the obligation of mandatory reporting through threat, intimidation or unfavourable treatment.

There is no legal requirement for a mandatory reporter to be trained. Rather, everyone in the above roles have a responsibility to report.

Volleyball SA supports that all people engaged in activities associated with *Volleyball SA* have a moral obligation to report any suspicion of child abuse or neglect.
