2018 Coaching Position Guideline

Being a head coach of either a Men's or Women's volleyball program with the Northern Knights requires a commitment to the club and its players during pre-season and the entirety of the state league season.

The overall aim from the Northern Knights Boards perspective, would be for coaches to coach teams at the league level, build player numbers and capabilities and create a positive culture that is founded on collaboration and supporting the club. Supporting the Club through other avenues besides just playing for the state competition is highly desirable and can consist of fund raising, player recruitment or any other ideas brought before the Board.

Desired Qualities (Attributes)

- High level of experience [state / state league]
- Level 2 coaching accreditation or a willingness to obtain one
- Member of Volleyball South Australia

Coaches will be responsible for:

Preseason:

- Working with the Northern Knights State League Committee to help plan the 2018 State League Season
- Communicating with Northern Knights State League Committee about needs and expectations
- Running preseason trainings
- Selection of teams

Season:

- Coaching nominated team
- Monitoring other divisions and developing a feedback loop with other coaches to identify shifts in competitions
- Support other coaches when available during training or game days
- Support club culture development through a strategic planning process
- Uphold coach guidelines appropriate to Volleyball
- Take an active role in identifying players across the competition for both men and women who could transition across to the club

If you believe that you meet these requirements, please complete an application form and forward to application@northernknights.com.au.
